AMEX MERCHANT ADMINISTRATION GUIDE PDF

Merchant Administration is a web-based interface that allows merchants to easily view and manage their orders. The merchants can search and view their order/transaction details, download CSV reports, check 3-D Secure results, set up risk controls, create orders manually, manage refunds, and much more.

Integration Guide - American Express

Basically, Amex offers acquirers wholesale rates. Processors tack on their own markup, the same way they do with Visa and Mastercard, and then provide Amex acceptance as part of their suite of services. This ultimately translates to lower rates for merchants and, in theory, helps create competition.
