Behaviour modification focuses on using a principle of learning and cognition to understand and change people's behaviour. This might sound very technical, but it is used frequently by all of us....

(PDF) PRINCIPLE OF BEHAVIOUR MODIFICATION

Bookmark File

PDF Behavior

Modification Basic

Behavior modification assumes that observable and measurable behaviors are good targets for change. All behavior follows a set of consistent rules.

Methods can be developed for defining, observing, and measuring behaviors, as well as designing effective interventions. Behavior modification techniques never fail.
