Directed by Anna Chi. With Lisa Lu, Vivian Wu, Joe Lando, Chin Han. A blind Asian-American woman lives with her son and daughter-in-law. The two women barely tolerate one another and the son, a doctor simply turns himself off to avoid any confrontation with either. Into this environment, an armed intruder breaks in. He is eventually revealed to be an old family friend who was sent to prison ...

Blindness (1998) - IMDb

Blindness is a fantastic book, the best I have read in a long time. It's difficult to explain without giving too much of the plot away, so I'll stick to generalisations. One of the most enjoyable features of Blindness is the writing style, which is at one both personal and almost documentary. The best way I can explain the style is inclusive.

Blindness (Harvest Book): Jose Saramago, Giovanni Pontiero ...

Blindness is in many ways a horrific novel, detailing as it does the total breakdown in society that follows upon this most unnatural disaster. Saramago takes his characters to the very edge of humanity and then pushes them over the precipice.

Blindness: Saramago, Jose: 9780151002511: Amazon.com: Books

Blindness can be genetic (or inherited), which means that this problem gets passed down to a kid from parents through genes. Blindness also can be caused by an accident, if something hurts the eye. That's why it's so important to protect your eyes when you play certain sports, such as hockey.

Blindness is a status effect that impairs the player's vision.

Blindness - Official Minecraft Wiki

Color blindness — or more accurately, poor or deficient color vision — is an inability to see the difference between certain colors. Though many people commonly use the term "color blind" for this condition, true color blindness — in which everything is seen in shades of black and white — is rare. Color blindness is usually inherited.
