The English explanations USUALLY not seldom way off base. There are no grammatical descriptions and the verbs present stems are not given. This book is so bad that I would not even give it to someone else or donate it to get rid of it. The Sharezoor Kurdish-English dictionary by Shafiq Qazzaz is better if not the best.

US President Donald Trump's approval for an American company to sign an agreement with the head of the Syrian Democratic Forces on oil investment in northeast Syria is a political step for "recognition" of a Kurdish self-administration in the region, a Syrian Kurdish official said.

## **US Politically Recognizes Kurdish-led Administration ...**

The Turkish government introduced Kurdish as an elective course in schools and launched Kurdish studies programs at universities during the Kurdish peace process, also known as the Kurdish opening or the resolution process. But today, Kurdish language education is no longer said to be high on Ankara's agenda as the peace process collapsed.
