Business plans - Office.com

A business plan is only a document on paper without a real path to get the work done, complete with a schedule, defined roles, and key responsibilities. While the milestones and metrics section of your business plan may not be long, it's critical that you take the time to look forward and schedule the next critical steps for your business. Investors will want to see that you understand what needs to happen to make your plans a reality and that you are working on a realistic schedule.
