commemorative culture of their own by enlisting Shakespeare to help in their civic programmes to advance education, women's suffrage, or community care, and in doing so transformed domestic practices into acts of commemoration. Even if at times their agenda aimed beyond the plays and poems, as Scheil argues, the commemorative acts

### **Introduction: Shakespeare and the Cultures of Commemoration**

We aim to provide a perspective on how Shakespeare has entered into cultural memory: as a symbol of national identities, of European culture, even of a global "cultural capital." In three papers that examine different kinds of commemoration, we propose to explore its inevitably conflicting political and cultural investments in relation to their specific historical and cultural exigencies.
