Civil Tax Procedure Second Edition

This new title is one of four releases from the LexisNexis Graduate Tax Series. Civil Tax Procedure embodies the dual goals established for the LexisNexis Graduate Tax Series: to provide graduate tax students with a solid foundation in the applicable rules and to enhance their skills in reading and applying complex statutes and regulations. To this end, the text relies very little on the often-times laborious analysis of cases and other sources that are secondary to the Code and the regulations.
