6 Ways to Crack the 'Hidden' Job Market

Breaking into the hidden market isn't about old school networks or special favors, nor is it only open those who are great at self-promotion. If success was about the people you already know, there would be little point to networking. It's about expanding your horizons, meeting new people, and about discovery. Networking can feel wrong — demeaning, or exploitative, and it's easy to fear rejection.
