Mediation Corner: An Introduction to Alternative Dispute ...

Alternative dispute resolution (ADR), or external dispute resolution (EDR), typically denotes a wide range of dispute resolution processes and techniques that act as a means for disagreeing parties to come to an agreement short of litigation: a collective term for the ways that parties can settle disputes, with the help of a third party.

Alternative dispute resolution - Wikipedia

Negotiation is a method of alternative dispute resolution in which the parties retain power to resolve their dispute. No outside party is vested with decision-making power. Negotiation requires the parties to define the conflict and agree to an outcome. Often, this can take the form of a compromise.

Alternative Dispute Resolution - Fundamentals of Business Law

Dispute resolution is always part of daily life among members living, learning or working together. Alternative Dispute Resolution (ADR) involves solving conflicts between two or more people out of court (Totaro, 2008, p.15). Many ADRs do exist but it requires people to assess the conflict at hand before seeking the best ADR technique to use.
