### Kodiak Jet Drive from California Marine.

I am new to the site. I looking for advice on upgrading my 1990 ish 3 stage Kodiak. The pump is bone stock in a 21' welded aluminum custom. The boat has no windshield or top(its pretty lite a one off Wooldridge) it has a hopped up 429 Ford. The issue is it can "SPIN" the pump with ease (not sure if spin is the right term).

Always remember to refer to your maintenance manual for proper lube and maintenance of your jet drive. ... Jet pumps do not produce boat roll, therefore Thunder Jet is simply following the "right" tradition. ... pumps such as the Hamilton or Kodiak 2 and 3 stage draw water in through the intake in the bottom of the boat and accelerate it ...

### FAQ - Aluminum Boat Manufacturer - Thunder Jet

pulling the motor will make access to the pump considerably easier. I think yours is a flanged shaft, which means there will be 4 @ 3/8 bolts holding the universal shaft to the flange on the jet. Most things are accessible from outside the transom. Remove the tail pipe (should be 6 @ 5/16 nuts, take the steering knuckle and reverse setup first).
