The Bradford Group, along with our successful sister company Hammacher Schlemmer, are wholly owned by our employees under an Employee Stock Ownership Plan (ESOP). Thus, our employees benefit not only as employees of our enterprise, but they share in the wealth we create together.

### Our Ownership | The Bradford Group

Our characters hold the following direct ownership in two companies: Fred and Barney are the only ones with direct ownership in both companies, so they are the only ones who have common ownership. While their combined ownership in Bedrock is 80%, it is only 60% for Rubble Rousers. So, at first glance, it does not appear they meet the first threshold of 80% common ownership across both companies.

### Our Affiliated Companies - SAFEbuilt

That rule defines "affiliated service groups as applicable to organizations such as law firms, accounting firms, civic organizations, temporary staffing companies and third party administrators. The regulation applies when separate organizations linked by at least 10% common ownership and the organizations closely allied in the services they ...

### Common Ownership: What are the Rules? | Healthcare Exchange

If an entity owns 80% or more of another entity, then the two are affiliated and treated as a single Employer. This is also true when Company A owns 90% of B and B owns 90% of C, then A, B, and C are all aggregated. Also, the form of entity does not matter. If a corporation owns 85% of a Partnership, the two entities are affiliated.

### Related/Affiliated Companies

An affiliate, in general business terms, is an "official attachment" of one business entity to another. Official attachment implies a contract or agreement of some kind and an announcement to the public of the connection between the two businesses. Whether one business is an affiliate of another is based on common ownership, common management, and the existence of a contract. 1.
