End of story, really – the first step to improving your spelling has to be to read a lot (and it should go without saying, read a lot of stuff that's spelled correctly; txtng ur frnds may b fun bt isn't going 2 hlp ur splng). Make a list of your commonly misspelled words.

How to Improve Your Spelling Skills

Online Library Seeing Spells Achieving Improve Your Spelling Reading Memory - **Lifhack**

If you learn by seeing, the more you read, the more your spelling will improve. Using a keyboard will help. Seeing what you just typed appearing neatly on the screen may trigger your “right/wrong” sensors more reliably than trying to read your handwriting. If you learn logically, organize your word lists
