Chevelle - Step by Step

Continuing on, we moved to another town and I hooked up the tow-bar that I had custom made for the Chevrolet Corvette, and off we went to the next garage. I made sure that I kept all of the boxed up parts together for future use, or so I thought! I never even touched it and woops, it was time to move again.

General Motors
corporation since 1966.
Step 1 We have
already drawn a huge
number of cars, and all
lessons begin roughly
the same way - the
first thing we need is
sketch out the general
outlines of the car.
