The Commedia Dellarte In Naples

Commedia dell'arte, an improvised performance art that flourished in the 16th and 17th centuries, vanished leaving very few traces. What remain, besides some intriguing descriptions, are about a dozen manuscript collections of plot outlines, or scenarios, often written in dialect, which the Italian professional actors must have used to guide them through each drama, from scene to scene and act to act.

In 1896, Benedetto Croce donated to Naples's Biblioteca Nazionale two manuscript volumes from the late seventeenth century. These books had been prepared by Annibale Sersale, Count of Casamarciano, and contained 183 canovacci (scenarios) of the commedia dell'arte. Today, this Casamarciano zibaldone (collection) comprises the largest extant collection of commedia canovacci with nearly a quarter of the total surviving scenarios from any source.

Teatro della Commedia Vecchia. Built around 1550, the Commedia Vecchia was the first public theatre in Naples. It was the professional home to acting troupes from Spain "playing the provinces," and it provided a stage for the improvised antics of the masked and costumed figures in the then innovative Italian commedia dell'arte. In its heyday, the theatre was so successful that the government put a tax on their proceeds to finance the Casa dei Incurabili, a home for people with incurable ...
