The Lover Guide To Trapping

Wyatt Prunty's eighth collection, *The Lover's Guide to Trapping*, opens with a Homeric mole who tunnels the yard then disappears, a nervous alpha dog convinced she gets less food than her sister because she eats faster, and a house wren whose loud expectation is that she be let in. And there are others who populate the pages of this book, one stray cat, one ghost, but many who are human—soldiers, prisoners, wide-eyed children, matriarchs, Verdi in despair over having cast a plump ...

The Lover's Guide to Trapping. BY WYATT PRUNTY. JOHNS HOPKINS, 53 PAGES, \$23.95. In this eighth volume of poetry, Wyatt Prunty continues to write traditional verse with attention to rhyme and meter. He animates poems with a spirit of generosity, of seeing into the ordinary to glimpse the extraordinary. Prunty's poetry explores the fundamental striving, the telos, of creatures, from moles to man.

Wyatt Prunty , *The Lover's Guide to Trapping* (Baltimore: The Johns Hopkins University Press, 2009), 53 pp. It is tempting to say of Wyatt Prunty, whose eighth collection of poetry, *The Lover's Guide to Trapping* , has just been published, that he is a man of few words; this slim volume contains only thirty poems and thus stands lean compared to contemporary practices.

Project MUSE - The Lover's Guide to Trapping (review)

"The Lover's Guide to Trapping includes a wonderful poem entitled, 'Incident in the Sublime' that distinguishes a human need from mere magnitude. And there is 'Fields,' which begins, 'Furrowed as the heaviest brow yet plain / As our forgetfulness,' or 'Addio del passato,' which beautifully begins, 'The final chord will not end without / Memories of dissonance.'
