Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

The Town Below The Ground

The story of the Town Below the Ground is one of the most disturbing in the annals of Scottish history. For almost 250 years, Edinburgh was surrounded by a giant defensive wall and, unable to expand its boundaries, it became the most densely populated city in Europe.

The Town Below the Ground: Edinburgh's Legendary ...

They say it is a metropolis - that miles of streets and houses exist down there - banished forever from the light. Others claim there is no underground city - that the town below the ground isn't real. It is a fairy-tale, no more than legend. The truth, in fact, is somewhere in-between.

[PDF] The Town Below The Ground Download Full - PDF Book ...

"The Town Below the Ground" can easily be read in a single sitting. The writing style is breezy and basic, somewhat similar to what one would find a tour guide booklet. The book is written in two parts: history and tales. I found the history portion of the book quite interesting, informative, and entertaining.

A walk across the Old Town is a journey through history, from Edinburgh Castle at one end to the Palace of Holyroodhouse at the other. But not all of Edinburgh's history is on the surface. Deep below ground there's a network of narrow alleyways and abandoned houses that have been standing there since the 17th century.
