e. The Communist International (
Comintern), known also as the Third

Online Library Third International Congress Of Nephrology Washington 1966

International (1919–1943), was an international organization that advocated world communism. The Comintern resolved at its Second Congress to "struggle by all available means, including armed force, for the overthrow of the international bourgeoisie and the creation of an international Soviet republic as a transition stage to the complete abolition of the state".

Communist International - Wikipedia

Third International, also called Communist International, byname Comintern, association of national communist parties founded in 1919. Though its stated purpose was the promotion of world revolution, the Comintern functioned chiefly as an organ of Soviet control over the international communist movement.
